Election SA – 20 March 2010

BINSA Pre-Election Forum

11 March 10.30am-12.00 noon

BINSA will be hosting an Election forum, in our ground floor facility here at 70 Light Sq.

We are inviting representatives from the various political parties to participate.

BINSA members and friends and any other interested community or allied health workers are encouraged to come along.

Your vote counts when it comes to improving the lives of those impacted by an ABI

Candidates will be asked to address specific issues confronting all who are impacted by an acquired brain injury (ABI). We'll ask them to tell us what they propose to do if elected, to assist to improve the many shortcomings that currently beset the disability sector but more specifically those related to ABI.

Please call Toni or leave a message on 8217 7600 or email on info@binsa.org or drop us a note to: 70 Light Sq, Adelaide SA 5000 to advise if you are coming.

Let us know if you have any specific support needs over and above your own carer support.

It should be a very interesting and engaging debate, so we look forward to seeing some of you on **11 March to kick off at 10.30am.**
